

Inspiring Kids

Monday, 15 May 2006

Last Updated Wednesday, 31 July 2013

All our children's activities are led by authorised leaders, who are fully approved under Child Protection legislation. Our curricula feature content designed for the different types of learning styles.

Kids Church

People of all ages are welcome to our worship services and kids are no exception! The early segments of our services feature more contemporary music as well as a "Family Feature". Then the kids are led out to their own time of fun and creative learning using the "Kids @ Church" curriculum materials by CEP.

Sundays 9am, starting with our family worship time at the beginning of our worship service.

Scripture (Special religious Education, "SRE")

Parents, just write "Presbyterian" @ Gladesville or Boronia Park Public Schools and your kids will be well taught in our classes held on Wednesday mornings! We use the excellent, bible-based Connect materials by CEP for all our classes. Since 2011 we have partnered with Annette Hawken, evangelical minister of Boronia Park Uniting Church, as we team teach all classes at both local schools!

This is our After School Club featuring stories, craft, games, multimedia, snacks and songs! We feature the world class, proven materials of the Oasis curriculum for helping children learn values with fun!

Oasis uses a mosaic approach to teaching that understands the different ways that children learn. The mix of visual, audio, creative, physical and verbal activities caters to these needs and contributes to the variety for fun!

School Thursdays 3:30-6:00pm

Bus pick-ups from local schools by arrangement
