Ministry staff - SJ and Lucy!

We're excited to introduce our ministry staff members, who joined us from The Kalos Presbyterian Church - our Korean sister church!

Sungjun "SJ" Park is our Student Minister in his final year of training for ordained Presbyterian ministry. He completed an undergraduate degree at Morling College and is now studying for pastoral ministry. He has significant experience with youth and will be gaining experience with children and adults of other Australian cultures with us.

Heungsook "Lucy" Kim is our Assistant Ministry Staff, who is married with 3 children. She is developing both her ministry and English language skills with us, as she explores opportunities for an English ministry future.
