Building Bridges 4 Life in 2016!

Navigating the future in Sydney in 2016 appears to be a wide choice of endless possibilities, but regardless of the ever-changing details of the marketing packaging life remains essentially the same. So, we will continue to GRow A Community 4 Eternity with the grace of God to help others follow the narrow way of Jesus to glory!

In 2016, this means growing our partnership with our sister church, The Kalos Presbyterian Church (Korean), and growing our people to help others advance Towards Belief. The blending of Scottish seniors and Korean young people is a growing miracle of God that is reaching out to our multicultural community!

You're invited to enjoy our Worship activities on Sundays @ 9am; our Children's activities (Sundays @ 9am, Thursdays @ 3:30pm); our Monday Club (10am 1st & 3rd Mondays of the month); or our Community Café (watch this space)!
